

LUND CONSULTING ENGINEERS CC

MULTI-DISCIPLINARY CONSULTING ENGINEERS AND PROJECT MANAGERS

VACANCY FOR A RESIDENT ENGINEER

We are looking for a Resident Engineer to work on a civil works project in the north of Namibia.

Key Activities

The duties and responsibilities will include:

- Contract supervision and administration,
- Liaison and communication with the Client and EPC Contractor

Qualifications, Skills and Attributes:

The ideal candidate should meet the following requirements:

- Be a Namibian Citizen, or have a valid work permit,
- Have a BSc (Eng)/BTech degree in Civil Engineering from a recognised University/Technicon,
- Be registered or eligible for registration with the Engineering Council of Namibia,
- Have at least 5 years post graduate experience in the Civil Engineering environment, preferably in consulting and preferably including contract supervision and administration,
- Be responsible and self motivated,
- Be an innovative, honest, self-driven and accurate individual,
- Be able to work independently,
- Be a team player,
- Have good interpersonal, communication and organisational skills,
- Be fully proficient in English and Afrikaans,
- Have a valid driver's license and own transport,
- Be available to commence employment as soon as possible.

The Firm offers a competitive package, commensurate with the qualifications and experience of the candidate.

Refer to our website: Lce.com.na for details of how to apply.

Applications should be submitted ONLY by email to:

**The Manager,
Lund Consulting Engineers CC
vacancies@Lce.com.na**

Faxed and hand-delivered applications will not be considered.

Closing date for applications: **Monday 31 March 2025**

Please note that only short-listed candidates will be contacted, and that no documentation will be returned.
